Gotta-Have Remedy

When Brooke Shields has to tackle her kids' head lice, she prefers an all-natural approach. So the actress turns to Hair Fairies' products, including the \$20 Eucalyptus Laundry Detergent. Its nontoxic, eco-conscious formula eliminates itchy bugs but is safe for the whole family. hairfairies.com

Snap Happy

There's tons of fun to be had behind the scenes of *This Is Us* — and Mandy Moore relies on her new \$179.99 Polaroid Snap Touch to capture the memorable moments. A digital camera with touch screen, the tech wonder also features a built-in printer à la the brand's classic designs. amazon.com
